# Dolphin ULTIMATE

## Superior pool cleaning made even easier

### Maximum cleaning performance with minimum effort and hassle

The all-new Maytronics Dolphin ULTIMATE robotic pool cleaner makes it super-easy to look after your swimming pool, keeping it clean and ready for fun, with minimum effort and hassle.

It is newly designed for maximum cleaning performance, convenient handling and simple operation that needs no intervention from you and it is cloud connected, so you've always got control right in your hand, no matter where you are. When the cleaning is finished, the Ultimate returns to the pool waterline for easy removal from the pool.

### PowerStream Mobility System

The Maytronics Dolphin ULTIMATE is equipped with the PowerStream mobility system, a patented multi-directional water flow control system.

PowerStream mobility provides enhanced navigation & efficient cleaning of pool surfaces on the floor, walls or waterline by ensuring constant grip particularly on vertical surfaces.

The Dolphin ULTIMATE is cloud-connected, enabling control from anywhere at anytime, with real-time connectivity via the MyDolphin™ Plus app.

Dual-drive & PowerStream system providing powerful performance, optimal maneuverability & waterline cleaning.

Swivel prevents cable twisting & tangling during operation.

Pick me up mode rises & stops at the waterline for easy removal from pool.

Total cleaning efficiency all the way to the water line.

Brush & dual active brushing effectively scrubs, cleans away dirt and debris and especially waterline cleaning.

Large capacity multi-layer filter for efficient removal of fine and large debris.

Fast, debris free water release for easy removal from pool.

Lightweight - easy to lift and handle.

## Dolphin Ultimate Product Specifications & Features

<b>Pool Cleaning Coverage</b>	Dual active brush & scrubber rotates 1.5 faster than the brush
<b>Pool Size</b>	Pools up to 15m with 18m tangle-free swivel cable
<b>Type Capability</b>	Suitable for all pool surfaces.
<b>Programmable</b>	1.5, 2.0 & 2.5 hours cleaning cycle times & weekly timer
<b>Super-efficient</b>	Large capacity top-access multi-layer filter basket efficiently collects debris
<b>Power supply</b>	Power supply transformer, digital switch mode, output 30VDC IP54 rated.
<b>Pick me up mode</b>	Rises & stops at the waterline for easy removal.
<b>Filtration</b>	Filter cartridge full indicator
<b>Automation</b>	Delay start 1-2 hours
<b>Cleaning</b>	Dual active brush rotates at twice the speed of the motor
<b>Protection</b>	Motor Overload Protection
<b>Dynamic dual-drive motor</b>	Dynamic dual-drive motor combined with PowerStream mobility system, with multi directional water outlets and precise navigation control
<b>Product weight</b>	11.5kg
<b>Caddy</b>	Included
<b>3 year full warranty</b>	Full

### Water Saving

Reducing debris eases filter maintenance, cleaning and pool water refill.

### Energy Saving

Uses a fraction of the energy consumed by other pool cleaning systems.

### Chemical Use Reduction

Enhanced water circulation plus less water use equals reduced chemicals.
